

Non-Merchandise Routing Guide:
Questions? transportation@steinmart.com

Non-Merchandise shipments are those items that support the sale of merchandise and are non-sellable items. Examples of non-merchandise include: Fixtures, shelving, 'étagères', and store supplies.

Stein Mart has created this routing guide to assist vendors in determining the best method to ship non-merchandise items. The size and weight of the shipment is typically the determining factor on how these items will be shipped. Shipments will be sent using one or more of the following modes:

- 1) Direct to Store UPS
- 2) Less-than-Truckload (LTL) SAIA or YRC
- 3) Truckload (TL) using one of our preferred service providers

Please read the steps below to determine what mode to use. If you have any questions, please email transportation@steinmart.com BEFORE you send your shipment.

1. If you have a single store shipment that weighs less than 150 total lbs or less than 12 cartons ship: UPS Ground – Consignee Billing.

Conditions of this method of shipment include:

****No single carton over 40 LBS or 5184 cubic inches.**

- ✓ Individual carton weight MUST weigh 40 LBS or less. Please contact transportation@steinmart.com if any carton exceeds 40lbs.
- ✓ Verify that the size of each carton is 5,184 cubic inches or less by multiplying the carton length x width x height.
- ✓ It is the vendor's responsibility to check with UPS for "Large Package" characteristics.
- ✓ Vendor assumes expense of additional charges/surcharges for oversized/excess cube cartons.

2. If you have a single store shipment that weighs over 150 total lbs or more than 12 cartons for a single store, follow the directions that pertain to you below:

3. If a single store shipment, or multiple shipments with the same cancel date that equal or exceed 10,000 lbs or 750 cubic feet in total: please fill out the volume routing form below and email to transportation@steinmart.com

4. If you have a shipment that requires “white glove” delivery, is blanket wrapped or is extremely fragile, please contact transportation@steinmart.com

Other Conditions:

- **Please mark the BOL: “Carrier must contact (insert store phone # here) prior to delivery to schedule appointment and confirm equipment needs”.**
- **DO NOT** insure shipments on Stein Mart’s behalf. UPS Consignee Billing Policy is FOB Destination. Vendors are responsible for filing claims for lost or damaged cartons. Vendors may elect to insure their shipments at the vendor’s expense.
- Please palletize and shrink wrap all shipments.
- Please ensure your freight is securely fastened to the pallet with no overhang.
- Unless arranged otherwise, all shipments are tendered to carriers as “Shipper Load and Count.”
- Please contact transportation@steinmart.com for any **multi store fixture rollouts** or new stores.
**If you are unsure if you have a rollout, please contact Cheryl O’Conner (coconnor@steinmart.com).
